

PRE-SHOW REVIEW: THE BIG SHOW OMAN EXHIBITION TO HOLD ITS 15TH EDITION IN MARCH

Muscat, Oman— Oman’s leading exhibitions and conferences organizer Omanexpo will hold the 15th edition of the country’s biggest and most celebrated building and construction event for the industry—The BIG Show Oman (Builders International Gathering) —from the 12th to the 14th of March 2018 at the Oman Convention & Exhibition Centre.

The well-established annual exhibition, which has proven its worth and significance to Oman’s building and construction industry, will continue its tradition by offering the trade more than 1,000 products from various segments, such as ceramic and marble, doors and windows, kitchen and bathroom, pumps and valves, HVAC technology, pools and spa, construction equipment and tools, steel, cement, concrete, elevators and escalators and woodworking machinery from over 300 companies from 15 countries.

Highlighting the exhibition is the Interior Design Oman Pavilion, which will showcase products and systems from furniture and furnishing, lighting, Italian kitchen and bathroom showcase to decorative paints and objects.

The BIG Show Oman will also launch its new co-located event, Oman Real Estate Expo, as “part of Omanexpo’s objectives and continuous efforts to expand the event platform and open up direct pathways to business, investment and networking opportunities in the real estate sector.
